## Presidents Column

The elections for committee positions has been held and I would like to welcome our new committee to office and look forward to working with you to keep this branch a fun place to hang out. Thanks to those Young Fester and Rocketman for contesting but missing out this time. Don't worry, I am sure I can find something for you to do in helping out.

The BTaB meeting at Leyburn was well attended, both by members and Leyburn residents, in particular Julie, the new manager of the pub who really is keen. We were able to get quite a lot organised. I have managed to book a band "Back'n'Business" for Saturday night as well as Little Phoenix for Friday night. There is a local Karaoke man who we will try to set up to operate Saturday arvo from 4.30 to 7.30.

The SES are confirmed for traffic control and first aid and will do the gold coin breath test on Sunday morning.

All looks good for plenty of food variety and working on a mobile coffee shop setup.

The next BTaB meeting is June 25<sup>th</sup>. We will be leaving Hungry's at 9.15am, hope you can make it.

Granny, Gruff and Angry joined me on mission on Sunday 15<sup>th</sup> to help out the Mt Lindsay Branch with their annual ride for the elderly. We had a great time, as did the residents and their families.

Unfortunately I will be away for the next meeting, work calls, but have a great time.

I will also miss the Ad Hoc on the 5<sup>th</sup>, will be winging across the waters to attend a meeting but will be back before the 19<sup>th</sup>. I'll try a wee sip or 10 of Jamison's as well as a pint or three of Guinness for ye.

Keep the shiny side up.

Fester

Two Irishmen find a mirror on the road. The first one picks it up & says, "Blow me I know this face but I can't put a name to it". The second picks it up & says, 'you daft bastard it's me"

Hello to all the Members of our Warwick Ulysses club. At the last meeting I was asked if I would accept the position of Ride coordinator for the next year and it seems that we only get out of the club what we put in so I accepted the position. So with some help from other members I do hope we can pull off another good year.

I am just a new member to the club and was very impressed with the turn out and the support given to all members. I do hope that we have a fantastic year with the Bikes Thru a Bar, Ad hoc rides, coffee mornings we have much to look forward to.

As a rider for some years I feel honored to be part of our club and look forward to the coming year. So if you have the need to pull on your jacket and go for a rap!! You never know who else may be thinking the same thing email or contact other members it is better to have company to enjoy.

So keep safe and keep the shinny side up

#### Word about Town:

**Member spotted a Granny scraping something up off the side of the road. Let's hope if it was for her husbands tea it didn't Fester inside him.**

**For those who stayed out at Leyburn after BTaB meeting I hope it was worth waiting for the " No Mangoes" bikers that came through for lunch. I'm sure it would make a Fox Fester & get Angry to realize they didn't stand a chance with them.**

**One member recent purchase of 3 small bikes (presumably for grandkids) could find himself with a new nickname of Pocket Rocketman.**

**On a recent trip over the gap a member got Angry with himself for not having the sense to invest in gloves & full face helmet as he nearly froze to death.**

**The Blonde Who Married A Catholic**

**On their honeymoon, the blonde bride slipped into a sexy nightie & with great anticipation crawled into bed only to find her new Catholic husband had settled down on the couch. When she asked him why he was apparently not going to make love to her he replied "It's Lent" In tears, she sobbed, "Well, that is the most ridiculous thing I've heard! Who did you lend it to & for how long"**

Great service and care taken, 10% off for Ulysses members.

One hot summer day, a blonde came to town with her dog, tied it under the shade of a tree, & headed into a restaurant for something cold to drink.

Twenty minutes later, a policeman entered the restaurant & asked, "Who owns the dog tied under that tree outside?"

The Blonde says it was hers.

"Your dog seems to be in heat" the officer said.

The blonds replied "No way. She's cool "cause she's tied up under that shady tree.

The policeman said, "No! you don't understand. Your dog needs to be bred".

"No way," said the blonde. "My dog doesn't need bread. She isn't hungry 'cause I fed her this morning".

The exasperated policeman said, "NO! You don't understand. Your dog wants to have sex".

You gotta love this.

The blonde looked at the cop & said, "Well, go ahead. I always wanted a police dog".

Congratulations to Col & Jayde on the safe arrival of Jasper-James Archer Clacy on 21/05/11. 6lb 6ozs. Mum, Dad & baby all well
